Appletini

Ingredients

1 1/2 ounces of vodka
(or to taste)

1 1/2 ounces sour apple
Schnapps (or to taste)

1/2 ounce prepared
sweet-and-sour mix

Ice

Directions

- 1.** Fill a martini glass with ice and top with water. This will get the glass chilled before pouring your tini.
- 2.** Pour vodka, Schnapps and sweet-and-sour mix in Moxie's blender jar and blend at level 10 for 30 seconds.
- 3.** Next, dump the ice and water from the martini glass and readd a few cubes of ice. Fill the glass with the contents of the blender jar.
- 4.** Garnish with a cherry, or a sliver of granny apple, or lemon twist and serve.
